Athol Fugard: An Exploration of Racism and Identity

About the Book

Athol Fugard: An Exploration of Racism and Identity gives a critical account of the life and times of renowned South African playwright, Athol Fugard and inherent realities of the African Society. Reading Fugard is reading racism of the African Society in the 20th century. His writings bring out racial tensions embedded in the Post-Apartheid South African society. Fugard resorts to theatre to create awareness about the existing realities of the Post-Apartheid South African society. This book also provides an insight into social realities of South African Society and foregrounds Fugard's continuous struggle and resistance against the existing social evils. His plays embody resistance against discrimination and social exclusion on the basis of race. This book highlights how Fugard's writings raise voice for the Blacks and their continuous struggle for the survival of identity and dignity in the society. This Book will be a great help to the students, Research Scholars and teacher for a deeper understanding of the Athol Fugard's writings and Post-Apartheid South African society.
