## REPORT OF THE COMMITTEE

For maintaining the uniform workload in all Government Colleges of the State the following are the recommendations of the Committee:-

1. The basic formula prescribed in the calendars of KUK and MDU Rohtak shall be adhered to for the calculation of workload in the various subjects. However, the department may initiate the process of uniformity with all the Universities.
2. Non practical subjects shall have 24 periods per week for UG, PG and Honors and all Practical subjects shall have 27 periods per week as per the guidelines issued by the department dated 14.09.2019.
3. Section strength will be 80 in UG and 60 in PG.
4. Composition group in English will be of 20 in all the 3 years. For starting any new option the minimum students strength will be 20 students.
5. Since there are differences in the workload norms of KUK, MDU, GJU and CDLU in Hindi compulsory, Punjabi compulsory, and Sanskrit Compulsory, it was proposed by the committee that 4+2 periods per week may be assigned where the maximum marks are out of 100 and it will be 2+1 lectures/week where the maximum marks are 50 marks. In case of Elective subject (Hindi /, Punjabi /, and Sanskrit) the workload will be 6+2 lectures/week.
6. Since there are different norms for calculation of workload in Botany, Zoology, Chemistry in various universities and university calendars are also not clear/outdated, the committee recommends that periods for the various subjects will be as follow as per the scheme of examinations prevailing in the Universities:

Subject	Theory	Practical
1. Botany	8	8
2. Zoology	8	8
3. Chemistry	8	6
4. Physics	6	6
5. Maths	6+6+6	3 (Sem. 4&5)

7. Since University calendars are not uniform for calculation of workload of Physical Education, it is proposed that following norms be finalized for this subject:  
When Physical Education is not a teaching subject:
  - a. Upto 500 students = 1 faculty
  - b. Upto 1000 students = 2 faculties
  - c. More than 1000 students = 3 facultiesWhen Physical Education is a teaching subject:  
For calculation of subject workload it is proposed to provide 6 periods in theory and 6 in Practical per week.

For Commerce and Economics and Computer Science it has been decided that all the subject of B.Com & M.Com Degree course shall be taught by faculty of Commerce. However, the Micro Economics and Macro Economics -

- faculty of Economics, Business Maths by faculty of Maths and Basics of Computer Applications by faculty of Computer Science.
9. Subject of Computer Science in B.C.A, B.Sc.(IT), M.Sc (IT), POGCA, MCA, B.Sc. & M.Sc. (Computer Science) and Computer Science in Arts Faculty as an optional subject shall be taught by the faculty of Computer Science.
  10. Paper of Languages in all courses may be taught by the faculties available in the languages.
  11. Paper of Environment studies may be taught by the faculty of Zoology, Botany and Geography as per the guidelines of the Department.
  12. The practical ground in TDC 1 will be of 20 students but in case more than one group the last group upto 23 students will be considered as one group, similarly for TDC 2 & 3 a practical group will be of 15 students and in case more than one group the last group upto 18 students will be considered as one group.
  13. In case student's strength is less than 30 students in any non-practical subjects and 20 in any practical subjects, it will be discontinued (except in new colleges). However, for Music (V/T) the minimum strength will be 15 and Fine Arts and Sanskrit it will be 10.
  14. For Map works, etc the workload will be assessed as per University norms
  15. In Post Graduate Classes the total number of tutorials will be 12 students per tutorial group and workload will be one lecture/per paper, however, the number of students may be raised upto 15 for the last tutorial group.
  16. For professional courses, viz., BTM, Mass Communication, etc, the scheme of examinations of KEK/MDU will prevail.
